Prot No CPL 3/2008

Most Rev. Metropolitan Archbishop, Metropolitans, Rev.
Priests, Deacons, dear Religious and beloved Faithful in Christ!

Prayerful Greetings of the liturgical season of the
Pentecost!

During this blessed period, we commemorated liturgically
the Paschal Mystery of Jesus Christ, his passion, death and
resurrection. Through his resurrection, Jesus saved and formed
his Church. The people, whom he sustained through his Word,
Body and Blood, was established as the Church on the day of
Pentecost by sending the Holy Spirit, as continuation of the
Kingdom of God.

In order that the Good News of the Kingdom of God might
be preached through the Church to all the creatures, he gave to
his Apostles all authority in heaven and on earth. “Go therefore
and make disciples of all nations, baptising them in the name of
the Father and of the Son and of the Holy Spirit and teaching
them to obey everything that I have commanded you. And
remember, I am with you always to the end of the age” (Mt 28:
19-20). Just as our Lord suggested, the Apostles went to the four

corners of the earth and fulfilled their mission. This mission is being carried out incessantly through all Christians, who have received the light of the Gospel from the successors of the Apostles. By the very fact that we are Christians, we are sharers in this mission, wherever we are.

It is a great blessing of the Indian Church that she received the Gospel from St. Thomas, the Apostle of Christ and that God deigned that she be established on the apostolic patrimony. The Malankara Church, founded by St. Thomas, the Apostle ever takes pride in her apostolic patrimony. It is a sad historical fact that in her ardent endeavour to protect this patrimony, she had to go away from communion with the Universal Church. It is in order to heal this wound inflicted in the body of the Malankara Church and to regain the lost communion with the Universal Church, without forfeiting her own Church-traditions that the Servant of God, Archbishop Mar Ivanios of happy memory, unmindful of everything he had, had entered into the communion with the Catholic Church and marked the beginning of the Reunion Movement. Even though our Fathers had to undergo very many sacrifices in their life, the hands of God were with them as they were for the fulfilment of the prayer of the Son of God, "That they may all be one" (Jon. 17 : 21). God blessed the Reunion Movement. The Malankara Catholic Church grew very fast in the Universal Communion. She is recognized as a Church *sui iuris* (autonomous). Let us praise God for his providence. Let us take pride in being the children of the Malankara Catholic Church. Let us still continue our efforts for the communion of the Malankara Church-communities with the Universal Church. Since this is our God-given mission, wherever we are on the earth, let us specially be solicitous to fulfill this mission.

Many Malankara Catholics live outside the territories of the Malankara Eparchies, spread out in various parts of the world. In several places, our Faithful work as zealous missionaries. So also,

in several places, they give leadership to form our communities. In some such places, before the service of our Priests was made available, our lay brethren, under their own leadership have utilised their spare time to search out the children of the Malankara Church and to form our communities. In the formation of parishes and other Church-communities outside and territories of the Malankara Catholic Church, our Laity has borne a great share. I remember this with great delight.

We are now forming our Church communities and establishing them canonically all over India, the American continents, other regions of Asia, Europe and Australia. All of us are very happy to know that our Church-communities are being strengthened under the leadership of Most Rev. Joseph Mar Thomas, as Apostolic Visitor in the regions of America and Europe. In India, after Most Rev. Jacob Mar Barnabas took up pastoral work as Apostolic Visitor for the Malankara Catholics in India residing outside the proper territory of our Church, the Church has attained obvious divine vitality and ecclesial order in these places. We hope that more canonical arrangements shall be introduced soon in these places. I recall to mind with immense gratitude all our Most Rev. Prelates, Rev. Priests, Religious and Lay Faithful, who are earnestly engaged in the apostolic work of the Church with zeal throughout these regions.

The children of the Malankara Church, wherever they are, should earnestly try to keep up their ecclesial traditions and to enhance ecclesial life. They should seek means of establishing our own units wherever possible. We will soon make necessary arrangements in those places where such arrangements are not yet made. And where such arrangements are made, we should shine as models in the Universal Church, strengthening our ecclesial life.

Let me bring certain facts to the notice of every one. In several places where the service of our Priests was not available, our

Faithful lived in cooperation with the other ecclesial communities for their spiritual needs. Many of them stand in the row of leadership in those places and communities. They have also rendered considerable services and generously contributed towards their growth. They must have identified themselves with these communities. In their places of origin, they are practising Malankara Catholics and outside, they are members of other churches. They should be ready to come back to our own community when proper arrangements are made by our Church for the same. This is their God-given obligation and it is their duty as children of the Malankara Catholic Church. The fact that they may lose the place of honor they enjoy or that they will have to lose membership of a big community and become members of a smaller community, should not stand in their way for becoming members of the Malankara Catholic Church. An ecclesial life, founded on true faith, is what is most desirable. Hence these children of the Malankara Church should, as early as possible, return happily to our communion and fulfill their God-given mission. They should, besides, try to bring others too to our community. Let us try to ensure that the children of the Malankara Catholic Church, wherever they are, get the pastoral service they need. In the places where Malankara Catholic parishes or missions are not yet established, the children of our Church should, for their spiritual and pastoral needs approach the Apostolic Visitators and should fulfil their obligations according to their direction.

Herewith, I am sending a list of places, and the addresses of parishes and the Parish Priests together with their telephone numbers, where we have at present canonical provision for rendering spiritual service to our Faithful. In case, any Faithful from our parish shift residence to any other place outside the proper territory of our Church, Parish Priest should write a letter of introduction addressed to the Parish Priest of the particular place or to the Priests who have charge over the Faithful of that place.

He should also give the address of the Parish Priest of the place to the Faithful concerned. This will enable the migrating individual and his family to get necessary help when they reach the new place and to get easily integrated within our community. This will also provide convenience for our Faithful to grow as Malankara Catholic Faithful, wherever they are placed in the world.

When a Faithful returns to his/her original parish, after living outside the proper territory of our Church for more than a period of six months and requests the Parish Priest for administration of Sacraments, like Baptism, Confirmation, First Holy Communion, Matrimony, etc., and if he/she has no letter of recommendation of the Parish Priest of the place where he/she was living during that period, the home parish priest should demand the Faithful to produce a letter of recommendation from either his Eparchial Bishop or from the Apostolic Visitor, stating that there is no canonical impediment for the required sacraments to be administered. Both the Parish Priest and the Faithful should accept this arrangement with open hearts. In case any occurrence is reported against this arrangement the Parish Priest will be obliged to show the reasons for his conduct. The following excuses, such as, 'they regularly remit contributions in the mother church, that the other members of their family belong to the mother church (parish), that they visit every year the mother church, etc.', shall not be accepted as valid reasons in this regard. The Faithful staying in parishes or missions outside the territories of our Eparchies are those who are members of the afore-said units and who pay their dues there. When such people go to their native place on holidays or for administration of some sacraments with proper letters of recommendation from their local Parish Priests or other Priests-in-charge, they should not be compelled to pay any subscriptions in their mother parish. As children of our Church, when they approach the home Parish Priest for such favours with

proper recommendations, they should readily be obliged. If they voluntarily donate any money, that could be accepted, but there should be no compulsion of any kind.

When one of the Faithful living outside the boundaries of our Church returns to his/her home parish for permanent stay with the letter of the local Parish Priest, he/she should be accepted as a member of the parish and rendered pastoral service from the day of his/her enrolment.

The Reverend Priests and Religious serving the Church in the different parts of the world are in a special way witnesses to the presence and mission of the Malankara Catholic Church. All those who are entrusted with the pastoral care of the Faithful living outside the territorial limits of the Eparchies and those who are domiciled there permanently and the reverend Priests who visit the members of our Church-communities there for purposes of spiritual and pastoral needs, are subject to the Apostolic Visitators. The visitors and the permanently domiciled shall obtain the necessary permissions from the Apostolic Visitor of the respective place to exercise pastoral ministry over the Malankara Catholics. They shall make use of this permission in cooperation with the local Priests-in-charge of the parish or mission. We have a common obligation towards building up our Church in these regions.

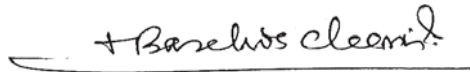

Our Faithful, who live in the different parts of the world, wherever they are, should offer their resources such as, influence, wealth, capabilities, knowledge, etc., for the growth of our Church. We are not isolated individuals; on the other hand we should consider that we are members of our Church in the providence of God. Each member of the Church should take an oath that, as far as within his/her capacity, he/she will strive for the advancement of his/her Church and for the fulfilment of the mission entrusted to the Church in the world. Prompted by the Word of God, let each individual set apart a certain percentage of his/her resources

and that of his/her family members for the service of the Church and for its charitable works.

Wherever we are, we ought to remember that we have the obligation to work as Apostles by God's design for the growth of our Church. Those who live away from the main stream of the Church should not think that they have gone there solely in search of some job. They are, by God's design, the messengers of the Word of God. The vision of the children of the Church, living within the canonical territory of the Church in India, should be earnest to promote the ecclesial life of those who live outside the canonical territories of the Church also. "All who believed were together and had all things in common... Day by day, as they spent much time together in the temple, they broke bread at home and ate their food with glad and generous hearts, praising God and having the good will of all people" (Act 2: 44 - 47). Like those first Christian communities, let us stand firm as Church communities in the main stream of the Malankara Catholic Church within and without her boundaries. Thus let us shine all over the world as the "Light of the world" and be "the salt of the earth" (Mt.5:13-14) and as a "Little flock" (Lk.12:32).

May all these be fulfilled through the prayers of the Blessed Virgin Mary, the Mother of God and all the Saints, especially of our Father and Apostle St. Thomas and the College of Apostles. Amen.

Your humble servant in the Lord,

+Baselios cleemis
